## **The American Revolution**

The young American soldiers who fought in the Continental Army were brave but inexperienced. They faced a trained British army that had better weapons and equipment. The British were confident that their forces were stronger and would easily defeat the colonists.

**DIRECTIONS:** Writing Explanations Study this cartoon. Then answer the questions that follow on a separate

sheet of paper.

1. What does the standing figure represent?

**2.** Who are the men behind the standing figure?

3. How do we know the soldiers are fighting for a cause they believe in strongly?

**4.** How does the cartoonist use a caricature with this figure to express a point of view?

**5.** Summarize the viewpoint of this cartoon.
